Focus Group Topic Guide

Based on ePortfolio Literature and course evaluation

Using the ePortfolio/IT/Training

1 Tell me about your experiences of using the ePortfolio-

- Any assistance that you needed to use it?
- Any the barriers to using the ePortfolio?

Submitting Reflective Writing

2 How did you find using the ePortfolio for writing and submitting your TPE?

- How useful did you find the scaffolding?
- How well did using the eportfolio match your learning about reflection in your VS sessions?

Reflection/Reflective writing

3 What about your understanding of Reflection?

- What place does/should it have in your undergraduate curriculum/ professional life?
- Describe any sharing of your reflections with your group?
- Tell me about the time it took?

ePortfolio Learning

4 How do you feel about keeping a learning eportfolio?

- eportfolio as an introduction to keeping a learning eportfolio?
- Does the similarity between the GUMeP and the foundation eportfolio influence your thinking about using UMeP?
- How do you feel about the confidentiality of ePortfolio submissions? **IT and also** content.
- What advantages do you see in eportfolio learning?

Feedback

5 How important is feedback?

- What did you feel about the feedback that you received from your ePortfolio submissions? (How) could it be improved?
- What would be the effect of summative assessment?

Support/ training

6 How well do you think UMeP is supported?

- What do you feel about the encouragement you have to use GUMeP?
- What do you think about tutor attitude to using it?
- What do you think about guidance to use it (MOODLE, FAQ, handbook)?
- How do you feel about training (initial and continuing) to use GUMeP?
- How well do you/did you feel motivated to use GUMeP?

Technology

7 How easy is the IT of GUMeP to use?

- What are your thoughts about its suitability to support GUMeP?
