NEEDS AND PERCEPTIONS ON TEACHING IN PHYSICIANS OF THE FIRST LEVEL OF CARE IN PERU

You have been invited to participate in the following survey, the purpose of which is to assess the needs and perceptions of teaching in primary care physicians.

The survey is in charge of researchers from the P. Universidad Católica de Chile and the Universidad Peruana Cayetano Heredia. The time it will take to answer the questions is approximately 8 minutes.

Your participation is voluntary, so you are NOT obligated in any way to answer the survey.

If you have questions about this medical research, you can call Dr. Sofia Cuba at 958914161, the researcher responsible for the study.

At the beginning of the survey, they will give their acceptance as a signal of affirmative response of informed consent.

Thank you for your participation!

* Required

1. Email address *

2. Do you agree to participate in the following survey?

   * 

   *Required

   Mark only one oval. 

   ☐ Accept
3. How old are you? *

*Mark only one oval.*

- [ ] younger than 25 years old
- [ ] 25-30 years old
- [ ] 30-35 years old
- [ ] 35-40 years old
- [ ] 45-50 years old
- [ ] 55 years old

4. Sex *

*Mark only one oval.*

- [ ] Female
- [ ] Male

5. Which is your medical speciality? *

*Mark only one oval.*

- [ ] Family Medicine
- [ ] Internal Medicine
- [ ] I do not have a speciality
- [ ] Other: __________________________________

6. Are you faculty at any university? *

*Mark only one oval.*

- [ ] No
- [ ] Yes
7. If yes in the previous question, in what university

8. In what scenario do you teach?

Check all that apply.

☐ Primary care facility
☐ University
☐ Hospital
☐ Community
Other: ☐

9. What is your teaching status with the university

Mark only one oval.

☐ Ad honorem
☐ hired temporary
☐ Auxiliary teacher
☐ Associated teacher
☐ Principal teacher

10. Since when have you been linked to this University?

11. How many hours of weekly dedication do you have to teaching?

12. Are practicing as a primary care physician? *

*Mark only one oval.*

☐ Yes
☐ No

13. If yes to previous question, in which primary care facility are you working

________________________________________

14. How long have you been working in that primary care facility?

________________________________________

15. If you answer, was “No” to question 12. Have you ever worked in a primary care facility?

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

16. Do you teach in a primary care facility?

*Mark only one oval.*

☐ yes
☐ No
☐ Other: __________________________________________
17. If yes, how long do you teach in a primary care facility?

18. Indicate to whom (s) you teach in a first-level health establishment (you can mark several options)

Check all that apply.

- Undergraduate students
- Interns
- Last year student
- Post graduate trainees
- Health teams
- Other

19. Do the students follow your daily practice in their learning process?

Mark only one oval.

- Yes
- No

20. How many hours per week do you dedicate on average to teaching at a first-level health facility?

21. You have taken a teaching skills course in the last 5 years

Mark only one oval.

- Yes
- No
22. If your answer was Yes, which course?

________________________________________

23. What institution was in charge of that training?

________________________________________

24. How many hours does the training last?

________________________________________

25. Check the box that best represents how much you agree with the IMPORTANCE for you, as a first-level health care teacher, of the competencies described below:

Mark only one oval per row.

<table>
